Waiting List Application Form

Northlight Art Studios Ltd provides quality space, facilities and resources in an inclusive and supportive environment for artists and makers in the Upper Calder Valley. We have a flexible selection policy and agreed criteria, our waiting list does not operate on a first come, first served basis. We offer a range of studio spaces and the information you give in this application helps us to select the most suitable artist for individual studio spaces as they become vacant.

It is essential that you complete all sections of this application form and that you send images of your work. Without this information we cannot add you to our waiting list. However don't be put off by anything you read here, we have a totally diverse range of creative practitioners at Northlight. Give us a call or come and look around, find out if the studio would be right for you.

NLAS is a co-operative and values the ethos of mutual co-operation. Being a member means attending meetings and all members are encouraged to help towards the successful running of the organisation.

Studios vary in size from 6.4m² to 20m² and are currently let at an inclusive rent between £5 - £7 per metre per month, depending on type of space, in addition a £24 per month membership fee (subject to an annual review). Some are open plan, others have doors, we have ground floor and second floor facilities. Some studios are shared. Charges cover all utility bills, administrative costs, use of all communal facilities and membership opportunities such as collaborative exhibitions. All rents including fees are paid by Standing Order one month in advance. There is a £100 returnable bond and a £15 returnable key deposit.

Once accepted onto our waiting list we will keep in touch to check if you are still interested in joining Northlight. You can apply to be an Associate Member while on the waiting list, this scheme is limited to approx ten Associate Members at any one time (contact us for more details).
