

Introducing a new partnership with Northlight....

My Next Chapter for Creatives is a programme for you to think and plan for what's next.

Join coach and facilitator **Bev Morton** and artist **Jean McEwan** in a focussed, hands-on one day programme of thinking and making to explore where you want to go next with your artistic practice.

On - Sunday 27th January 2019

From - 9.45am - 4.30 pm

**Where - Northlight Art Studios,
Valley Road, Hebden Bridge, HX7 7BZ**

Cost - £75

This is for the full day and includes all materials

Group size: Maximum group of 12

Throughout the session we'll be exploring:

- Where you are going creatively?
- What are you trying to achieve?
- Being an artist as you; growing in yourself and your artistic practice
- Identifying your needs and designing a plan to support them

Using creative materials and methods throughout, My Next Chapter for Creatives is an immersive and focussed day working alongside creative professionals and peers, each different, in a supportive environment.

"I just loved the connection, I loved the people there. As soon as I allowed myself to be less fearful to be in a room with amazing creative people, you know what I mean (laughs), as soon as I put a pin in that, I was able to connect on a really human level."
